Linear Light (SMD)

Line Light : SPL-2835-IP20-SMD

Electrical Information for Linear Light SMD-2835-IP20

These lights come with different light intensities and power ratings, as follows:

Code: Medium-Power-2835-120LEDs-24 V-IP20 / SMD / 14 w/m, 1200 lm/m

Code: High-Power-2835-120LEDs-24 V-IP20 / SMD / 24 w/m, 2500 lm/m

Code: High-Efficiency-2835-128LEDs-24 V-IP20 / SMD / 24 w/m, 3500 lm/m

Color Temo: 3000k-4000k

Labels: SMD/IP20   Type: Indoor   Usage Category: Indoor

Brand Name: LED Strip and SMD Strip (LED)

Applications: Kitchen lighting, living room lighting, office lighting, hallway lighting, rooms, hallways and stairs, waiting areas for visitors, employee open areas, store interior, street lighting, showcase lighting, facade lighting, exterior facade, parks and recreational areas, parking, garage, house exterior lighting, public spaces

Electrical Information for Linear Light SMD-2835-IP65 & IP68

These lights come with different light intensities and power ratings, as follows:

Code: Medium-Power-2835-84LEDs-24 V-IP65 / SMD / 12 w/m, 1200 lm/m

Code: Medium-Power-2835-84LEDs-24 V-IP68 / SMD / 12 w/m, 1200 lm/m

Color Temo: 4000k

Labels: SMD/IP65 & IP68   Type: Indoor / Outdoor   Usage Category: Outdoor / Indoor

Brand Name: LED Strip and SMD Strip (LED)

Applications: Hallway lighting, hallways and stairs, water features, swimming pool, waiting areas for visitors, employee open areas, street lighting, facade lighting, exterior facade, parks and recreational areas, parking, garage, bathroom and toilet lighting, house exterior lighting, parking and garage, public spaces

Linear Light (COB)

Line Light :   COB-Strip-IP20

Electrical Information for Linear Light COB-Strip IP20

These lights come with different light intensities and power ratings, as follows:

Code: COB-Strip-24 V-IP20 / COB / 15 w/m, 1500 lm/m
Color Temo: 3000k-4000k

Labels: LED/COB/IP20   Type: Lighting Equipment   Usage Category: Indoor
Brand Name: LED Strip and COB Strip (LED)
Applications: Kitchen lighting, living room lighting, office lighting, hallway lighting, rooms, hallways and stairs, waiting areas for visitors, employee open areas, store interior, street lighting, showcase lighting, facade lighting, exterior facade, parks and recreational areas, parking, garage, house exterior lighting, parking and garage, public spaces

Linear Light (COB)

Electrical Information for Linear Light COB-Strip IP68

These lights come with different light intensities and power ratings, as follows:

Code: COB-Strip-24 V-IP68 / COB / 15 w/m, 1500 lm/m

Color Temo: 3000k

Labels: LED/COB/IP68   Type: Lighting Equipment   Usage Category: Outdoor / Indoor

Brand Name: LED Strip and COB Strip (LED)

Applications: Hallway lighting, hallways and stairs, water features, swimming pool, street lighting, facade lighting, exterior facade, parks and recreational areas, parking, garage, bathroom and toilet lighting, house exterior lighting, parking and garage, public spaces
